<sup>1.</sup> Data compiled by POLIDATA with assistance from National Journal & the Cook Political Report. Data collected from state and local election authorities.

<sup>2.</sup> Even though some states do compile results by district, all data should be considered preliminary. Final review will tabulate final percentages and vote estimates.

<sup>3.</sup> All percentages are rounded and based upon total vote. The percentage for other candidates is excluded from this listing.

<sup>4.</sup> Districts with a close margin in the Presidential vote are flagged by a pound sign (#). Use these data with a healthy degree of skepticism.

<sup>5.</sup> Pres/Cong is indicated for "turnover" districts. In 2012, RD for ROMNEY DEMOCRAT; OR for OBAMA REPUBLICAN.

 $<sup>6.\</sup> Net\%$  is compared to the reaggregated 2008 percentage for the 2012 district;
